PROTOCOLS FOR PRIMARY CLOSE CONTACTS (PCC) AND POSITIVE COVID-19 MEMBERS

Scenario 1

You are notified as a Primary Close Contact (PCC) as a result of encountering a positive COVID-19 case outside of facilities we hire.

- Notify Flipping Fit immediately and stay at home. If you are participating in an onsite class with Flipping Fit, adults will need to leave the facility immediately and make your way home. Children will need to be collected as soon as practicable.
- Isolate as directed by the Department of Health.
- Obtain a negative COVID-19 test on the applicable day of the isolation period.
- Email the negative COVID-19 test result or clearance provided from the Department of Health to Flipping Fit prior to returning to any of our onsite programs.

Scenario 2

You return a positive COVID-19 test result

- Notify Flipping Fit immediately and stay at home.
- Isolate as directed by the Department of Health.
- Obtain a negative COVID-19 test on the applicable day of the isolation period.
- Email the negative COVID-19 test result or clearance provided from the Department of Health to Flipping Fit prior to returning to any of our onsite programs.

Scenario 3

You are identified as a Primary Close Contact (PCC) as a result of encountering a positive COVID-19 case (staff or gymnast) at a Flipping Fit facility.

- Flipping Fit will notify you that you have been identified as a PCC.
- Flipping Fit will send a list of all identified PCCs of the confirmed COVID-19 case to the Department of Health.
- If on-campus when identified as a PCC, you will need to leave the facility or your child will need to be collected as soon as practicable.
- You will need to get tested as soon as is practicable.
- You will be contacted by the Department of Health (this may take a few days).
- The Department of Health will advise you of your quarantine requirements, testing, and release dates.
- Isolate as directed by the Department of Health.
- Obtain a negative COVID-19 test on the applicable day of the isolation period.
- Email the negative COVID-19 test result or clearance provided from the Department of Health to Flipping Fit prior to returning to any of our onsite programs.

Points to note:

Flipping Fit will be governed by the Owners of the facilities we hire. WGC will closely follow Department of Health advice in terms of all 'Deep Clean' requirements and potential closure of the facility for 24-48 hrs. Notification of closure will be sent via email. If your attendance to our onsite programs is interrupted by closure or isolation, please get in contact with us if you would like to request an expiry extension.
